

**NEW HANOVER COUNTY
BOARD OF ADJUSTMENT**

Number of Members: 5 plus 3 alternates
Ex-Officio: Planning and Land Use Director

Term of Office: 3 years

Regular Meetings: Fourth Tuesday of every month at 5:30 p.m. in the Lucie F. Harrell Conference Room at the Government Center, 230 Government Center Drive, Wilmington, NC.

Compensation: \$20.00 per member per meeting plus auto mileage

Statute or cause creating Board: N.C. General Statutes 160D-302 (as of 2019). The Commissioners increased board membership to 3 alternates on 11/21/94 (officially 4/1/96). The Unified Development Ordinance (UDO) requires members to be appointed from different areas within the County's zoning jurisdiction insofar as possible.

Brief on Functions: In New Hanover County, the duties of the Board fall into two general categories: granting variances and hearing appeals.

Granting of Variances: When unnecessary hardships would result from carrying out a strict application of the UDO, the Board of Adjustment has the authority to vary any of the provisions of the ordinance after holding a public hearing and determining that the greater weight of evidence and testimony demonstrates that four conclusions have been met supported by findings of fact:

1. *Unnecessary hardship would result from the strict application of the ordinance.*
2. *The hardship results from conditions that are peculiar to the property, such as location, size, or topography.*
3. *The hardship did not result from actions taken by the applicant or the property owner.*
4. *The requested variance is consistent with the spirit, purpose, and intent of the ordinance, such that public safety is secured, and substantial justice is achieved.*

In summary, a variance is an approval enabling a property owner to make use of his property in some way which is in conflict with the literal provisions of the Ordinance.

Hearing Appeals: The Board of Adjustment is also tasked with hearing and deciding on appeals where it is alleged by the appellant that there is error in a decision made by the planning director or Technical Review Committee (TRC) in administering or enforcing the UDO.
